Award Category *(Check Only One per Nomination)*

- Innovation** Creative, fresh, unique solution that was successfully implemented within the organization and contributed toward improving our business (i.e., improved safety, performance, sales, reduced costs, etc.).
- Safety Leader** Employee who consistently drives our safety culture by demonstrating and encouraging a high level of engagement of safe behaviors.
- Quality** Employee who consistently demonstrated excellence and leadership in any of the areas: performance, productivity, or improvement in how business is done.
- Customer Service Excellence** Consistently demonstrates responsive, courteous and professional customer service. Employee who provides that "unexpected extra" service effort to internal customers (our employees) and external customers and in doing so, anticipates customer needs and exceeds expectation.
- Community** Made significant contributions to the community by offering their time, actions, talents and dedication.
